Why Buy Used Audi Parts? In just about all cases, you will notice that getting used Audi parts and spares is definitely a less costly option as opposed to when you purchase from neighborhood Audi dealerships and repair companies. The trickiest part of this job is reinstalling the timing belt cover, particularly where it interlocks with the lower timing belt cover. Get the covers locked together correctly first and then you can snap the top back onto the top of the valve cover. The Audi A3 is a small family/subcompact executive car manufactured and marketed since 1996 by the Audi subdivision of the Volkswagen Group, now in its third generation.
