

Download A String Of Beads Thomas Perry

With solidly built characters and an amazing plot, "A String Of Beads", hits on all cylinders as Jane is once again in her element. Along with great detail of a trek in and out of several states, the suspense rarely lets up. Once again author Thomas Perry proves to be a master story teller. The eighth breakneck thriller featuring Jane Whitefield, described by the Wall Street Journal as "the sort of protagonist most crime novelists would kill for," A STRING OF BEADS shows Whitefield undertaking a dangerous mission for her Seneca people. Perry (The Boyfriend, 2013, etc.) supplies twists and thrills aplenty, but it's hard to feel the suffocating kind of suspense that's his stock in trade when the pursuers seem to be in more danger than the pursued.
