

Download A Theory Of Imperialism

In a major contribution to the on-going debate on imperialism, Patrick Bond argues that an explanation of imperialist political-economy and geopolitics must incorporate subimperialisms. John Smith's old-fashioned binary of North/South prevents him from fully engaging with David Harvey's overall concern about uneven geographical development. The Taproot of Imperialism. The "taproot of imperialism" is not in nationalist pride, but in capitalist oligarchy; and, as a form of economic organization, imperialism is unnecessary and immoral, the result of the mis-distribution of wealth in a capitalist society. Leninism is the political theory for the organisation of a revolutionary vanguard party and the achievement of a dictatorship of the proletariat as political prelude to the establishment of socialism. Developed by and named for the Russian revolutionary Vladimir Lenin, Leninism comprises socialist political and economic theories, developed from ...Imperialism has been the most powerful force in world history over the last four or five centuries, carving up whole continents while oppressing indigenous peoples and obliterating entire civilizations.
