American imperialism is the term, often pejorative, for a policy aimed at extending the political, economic, and cultural control of the United States government over areas beyond its boundaries. A Biography of America presents history not simply as a series of irrefutable facts to be memorized, but as a living narrative. Prominent historians -- Donald L. Miller, Pauline Maier, Louis P. Masur, Waldo E. Martin, Jr., Douglas Brinkley, and Virginia Scharff -- present America's story as something that is best understood from a variety of ... "Yesterday, December 7th, 1941 - a date which will live in infamy - the United States of America was suddenly and deliberately attacked by naval and air forces of the Empire of Japan.
