Discouraging Pointless Extremism (2002+ and re-arranged in 2012) CPDS Home Contact: About Islam (Radical Islam) Ideas for Indonesia Outreach to Islamist Radicals Can Lessons be Learned from Camden? Are liberal meltdowns the most entertaining thing in the world? Probably. If you share even a sliver of that sentiment, then the latest hysteria will probably elicit a chuckle. This time, it's liberal favorite Elon Musk who's in the hot seat, and the situation couldn't possibly be more ridiculous. Steven Emerson (born June 6, 1954) is an American journalist, author, and pundit on national security, terrorism, and Islamic extremism. Some have called Emerson a terrorism and intelligence expert, while critics have said that he is an Islamophobe. In the Marxist economic base and superstructure model of society, base denotes the relations of production and modes of production, and superstructure denotes the dominant ideology (religious, legal, political systems).
