Among the Believers: An Islamic Journey is a book by the Nobel laureate V. S. Naipaul. Published in 1981, the book describes a six-month journey across the Asian continent after the Iranian Revolution. V.S. Naipaul explores the culture and the explosive situation in countries where Islamic fundamentalism was growing. V.S Naipaul's journey through the heartland of Islam takes us close to the truth of what the people of Islamic countries have come to think of Islam. Sadly though as in any religion of the past, Islam too does not offer much. 1979 reist V.S. Naipaul durch vier muslimische Länder, die nicht direkt an Saudi-Arabien grenzen und den Islam erst mit Verzögerung und eventuell unter Zwang annahmen: Iran, Pakistan, Malaysia und Indonesien.
