I am so sorry to hear of Cheryl's passing. I went to school with Cheryl from the second grade when I transferred to Claiborne. We had fun times and she was one of my sweetest friends all through grammar school. We were very happy with our experience with Great Hawaii Vacations. We had one issue (we were not happy with our Ocean View - It was more like a Tower and Pool view) I called and left a message for Cheryl and within an hour she had spoken to the hotel and had us moving to a better room the next day.
