Turnitin provides instructors with the tools to prevent plagiarism, engage students in the writing process, and provide personalized feedback. The full guide has two sections. In the first part we show you how to cite a reference in the text of your assignment, in the second part we have included instructions for each of the main source types such as books or web pages. The human body requires at least 100 milligrams of potassium daily to support key functions. Among its many uses, potassium helps to regulate the electrical activity of the heart and other muscles. Milk is a staple of many diets, but its carbohydrate count can impact blood sugar, which might be a concern for people with diabetes. Carbohydrates take the form of lactose in milk.
