5 stars Bryce Courtenay, storyteller extraordinaire and one of my most favourite authors tells the tragic story of his own son and his horrendous struggles in life. April's Fool Day is one of my favourite books, although it is a sad and also angry book! But it made me weep and also laugh. It is such a good description of how wonderful life can be, even if it is so cruel in the main thing. April Fool's Day is a 1993 book by Australian author Bryce Courtenay. The book is a tribute to the author's son, Damon Courtenay, a haemophiliac who contracted HIV/AIDS through an infected blood transfusion. Free download or read online April Fools Day pdf (ePUB) book.
