News Dive into the world of science! Read these stories and narratives to learn about news items, hot topics, expeditions underway, and much more. Lewis & Clark's provisions and recipes. Provisioning Lewis & Clark's expedition was a complicated work in progress. Commercial supplies were heavy and there was a limit to how much could be transported at any given time. Food Timeline history notes--state foods ... Alaska In Alaska, as true for places on earth, the concept of "traditional meals" depends up time and peoples. Centipede reproduction does not involve copulation. Males deposit a spermatophore for the female to take up. In one clade, this spermatophore is deposited in a web, and the male undertakes a courtship dance to encourage the female to engulf his sperm.
