Bryna Siegel gives parents of autistic children what they need most: hope. Her first book, The World of the Autistic Child Gifted children and adults are frequently misdiagnosed, particularly those who are twice-exceptional (2e). This much-anticipated second edition of a best-selling book is your guide to help prevent that. Autism is a developmental disorder characterized by difficulties with social interaction and communication, and by restricted and repetitive behavior. Parents usually notice signs during the first two or three years of their child's life. Homeschooling is more than just education at home. Homeschool parents, children, tutors, and anyone interested in learning online, a structured home classroom or unstructured unschooling will find A2Z Home's Cool an "cool" home school blog.
