Energy healing can be a powerful way to improve your health and your life. Did you know that you actually have the power to be your own energy healer? Like anything else, it's about having the right information at your disposal. Awaken to Your Role as Co-creator. The most profound healing you can experience is awakening to your true role as a co-creator of EVERYTHING in your life. The brutal murder of journalist Jamal Khashoggi could potentially be a landmark event in world history that changes everything. Why Khashoggi's bestial murder is having such a catalytic effect is because it is a living symbol, pregnant with deeper meaning, speaking to a process within each and every one of us.
