

# Download Basics Creative Photography 01 Design Principles

Want to know how to design? Then you should learn the basics of design. The basic elements of design include colour, line, shape, scale, space, texture and value and these are the fundamental pieces that make up any piece of work. The ability to generate inspired ideas is vital in all creative industries, fashion being no exception. Basics Fashion Design 01: Research and Design (2nd edition) investigates fashion design research and how to use it to develop inspired designs and concepts. GRAPHIC DESIGN BASICS combines design principles, history, and current technology to present students a comprehensive introduction to the field of graphic design. Learn software, creative, and business skills to achieve your personal and professional goals. Join today to get access to thousands of courses.
