

Download Canadian Sport Sociology

Sociology is the scientific study of society, patterns of social relationships, social interaction, and culture of everyday life. It is a social science that uses various methods of empirical investigation and critical analysis to develop a body of knowledge about social order, acceptance, and change or social evolution. Sports in Canada consist of a wide variety of games. The most common sports are ice hockey, lacrosse, gridiron football, soccer, basketball, curling and baseball, with ice hockey and lacrosse being the official winter and summer sports, respectively. JSTOR is a digital library of academic journals, books, and primary sources. Welcome to the NASSS 2018 Conference website. Please use the tabs on the left to register and to find links to the conference schedule. You can also find information on conference meeting rooms, technology, receptions, meals, and special events.
