

Download China's Foreign Policy Making

Argument How to Understand China's Foreign Policy China can become a beacon for the world -- if it trades in its conservative foreign policy for one that emphasizes universal values. While diplomats file for unemployment benefits and seek school lunches for their children, Mike Pompeo is making unpaid workers organize a big ambassadors' conference in D.C. Chinese Vice-President Wang Qishan heads to Russia this week on his maiden overseas trip since assuming his new foreign policy role, with Beijing looking to hedge bets as it tussles with Washington... Leadership generations Succession of power. Hu-Wen Administration (2002-2012) Xi-Li Administration (2012-2017) Xi Core Administration (since 2017)
