

# Download Contemporary Spanish Cinema And Genre

The Western is a genre of various arts which tell stories set primarily in the latter half of the 19th century in the American Old West, often centering on the life of a nomadic cowboy or gunfighter armed with a revolver and a rifle who rides a horse. An exploitation film is a film that attempts to succeed financially by exploiting current trends, niche genres, or lurid content. Exploitation films are generally low-quality "B movies". They sometimes attract critical attention and cult followings. As alluded to in the introduction to my previous articles on the best neo-noir films of the 1970s, 1980s and 1990s, getting cinema lovers to agree as to what films should be called horror films, suspense thrillers, classic film noir and neo-noir is a difficult if not impossible task.
