We're well into January and Bores still ignores his "Chris Neo" channel, and it may be that way for a loooong while. Over on Facebook, one guy (claiming to be a game journalist pffft) noted the announcement of Series 2 of Arcade1Up (those crazy expensive replica arcade cabinets), hoping Chris would do a video about them. Reality and video games merge in this high-concept sci-fi action thriller from Crank creators Mark Neveldine and Brian Taylor. In the not too distant future, mind-control technology allows humans ... We don't know much about computer hacking here at Cracked, because that stuff involves numbers, but we've come across a whole bunch of different crazy brain and body hacks over the years. The following pages will help you change reality for yourself and others, stop pain by coughing, and even make Esports (also known as electronic sports, e-sports, or eSports) is a form of competition using video games. Most commonly, esports takes the form of organized, multiplayer video game competitions, particularly between professional players and teams.
