

Download Detective By Arthur Hailey

Detective has all the elements one would expect from a novel by Arthur Hailey - a close-up view of the workings of an industry, this time the Homicide division of the Miami Police Department, some memorable characters, and a compelling story that binds everything together and keeps the reader engrossed. Detective is a novel by Arthur Hailey. It was written in 1997 and it was the author's last book. Hailey depicts the work of the homicide department and its background and investigation methods. Arthur Hailey (April 5, 1920 – November 24, 2004) was a British-Canadian novelist whose plot-driven storylines were set against the backdrops of various industries. I loved Hailey's other works because of his attention to detail. This work is a disastrous fail in that respect. He claims karate black belts must register their hands; they do not.
