

# Download Doing Research With Children And Young People

Unless otherwise noted, references to “parents” and “mothers” or “fathers” throughout this report refer to those with at least one child under the age of 18 and references to “young children” refer to children younger than 18. Though I haven't met DR OGEIVA but I have been hearing and seeing his wonderful deeds on people's life.. This made me contact him because I was parenting in America. Outlook, worries, aspirations are strongly linked to financial situation. Contemporary debates about parenthood often focus on parenting philosophies: Are kids better off with helicopter parents or a free-range approach?
