

Download Economyths 11 Ways Economics Gets It Wrong

Economyths, like a host of other books, was born from the financial crisis. I first started working on it in 2009, a few months after Lehman Brothers went bankrupt, and the first edition was published in 2010. Economyths is not a bad book. If you're new to this sort of thing, you might get more out of it than I would. Frankly, I'm not entirely sure why I read this, given that I'm already familiar with most of the points the author is making. Buy Economyths: 11 Ways Economics Gets it Wrong 2nd edition by David Orrell (ISBN: 9781785782299) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders. When Economyths was first published in 2010, David Orrell showed how mainstream economics is based on key myths such as fair competition, rational behaviour, stability and eternal growth - and how these myths lead paradoxically to their opposites: unequal
