Energy Psychology: Explorations at the Interface of Energy, Cognition, Behavior, and Health, Second Edition introduces the exciting new paradigm of energy psychology and presents the latest research on the subject. Energy Psychology presents a comprehensive approach to healing that combines leading-edge Western bodymind psychological methods with a broad system of ancient, sacred traditions. Psychotherapy is a powerful and transformative process. I love being on that journey with my clients, helping them to understand themselves more deeply and respond to life's challenges with more awareness.
