do the same. Also I definitely don't want you to go and try and save a town or whatever under compulsion or pressure because you want to please God, even though he didn't ask you to go there. Description : Evangelism from the heart is just that, how God feels about those on the outside of His Kingdom. Be it young or old, rich or poor, or any nationality. His heart is that He is not willing that any should perish! This book gives numerous instructions on how we can win the lost for God. He wants all to come to repentance and the gift of His salvation. Evangelism From The Heart Ruth O. Deel Christian Faith Publishing Inc. When Nathan Sheets and a few others set out to develop an outreach campaign, they decided to zero in on the pure, raw and heartfelt stories of those who have been transformed by Christ, and strip away all of the trappings of Christianity.
