

Download Firestone Ride Rite Manual

Ride-Rite air helper springs mount between the frame and the suspension of light-trucks, vans, and motorhomes. The heavy-duty convoluted air springs will handle all leveling needs with load carrying capacities between 3,200-5,000 pounds per set. Firestone's most popular and comprehensive air helper spring line, Ride-Rite kits can be installed on most light trucks, motor-homes, RVs, SUVs and vans. Firestone 2430 Ride Rite Air Bags for 2007-2017 Chevy Silverado 1500 / GMC Sierra 1500. They're designed to improve ride and handling, increase traction, and reduce suspension fatigue. 2600 Installation Instructions 2 PARTS Compare the parts below to your kit. Ensure you have all pieces, and organize them for an easier installation.
