

Download Genesis And Development Of A Scientific Fact Pdf Pdf

The Genesis creation narrative is the creation myth of both Judaism and Christianity. The narrative is made up of two stories, roughly equivalent to the first two chapters of the Book of Genesis. This has been a topic of debate for more than 2000 years, but with the latest finding in genetics, it appears those who say the “chicken” are on the winning side. Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. The Bible and an Old Earth. Inserting vast ages into the Bible’s first chapter sets it at odds with modern secular scientific opinion regarding the order of events.
