This bar-code number lets you verify that you're getting exactly the right version or edition of a book. The 13-digit and 10-digit formats both work. This webpage provides recommendations for econometrics books. Options for undergraduate econometrics, graduate econometrics, and other fields are provided. The other fields include panel data, count data, duration data, nonparametrics, bayesian econometrics, and the bootstrap. This exam includes some parts all of the quizzes I offer but you may purchase separately if desired.
