## **New Perspectives On South East Europe**

Mental health and mental illness. According to the U.K. surgeon general (1999), mental health is the successful performance of mental function, resulting in productive activities, fulfilling relationships with other people, and providing the ability to adapt to change and cope with adversity. South Africa, officially the Republic of South Africa (RSA), is the southernmost country in Africa. It is bounded to the south by 2,798 kilometres (1,739 mi) of coastline of Southern Africa stretching along the South Atlantic and Indian Oceans; to the north by the neighbouring countries of Namibia, Botswana, and Zimbabwe; and to the east and ... The boundaries of Eastern Europe, therefore, are subject to considerable overlap and fluctuation depending on the context in which they are used, which makes differentiation difficult. Global regions are often of social constructs defined by abstract, neutral criteria and not necessarily strict. Open access books (4990) We have partnered with leading presses on a project to add open access ebooks to JSTOR. Thousands of titles are now available from publishers such as University of California Press, Cornell University Press, NYU Press, and University of Michigan Press, and we will continue to add new titles.
