They never leave a message and there is no law that says you have to answer your phone. I just put them on call block but sometimes I answer and pretend I can't hear them and just as they start to hang up I can suddenly hear! Use this device to access someone else's answering machine. This device will scan all possible codes. Once you gain access, you can change someone else's message, change their access code, listen to their messages, possibly gain access to free long distance calling, etc. Works with many machines.
