YES! I loved Bunnacula as a kid! I read them over and over in grade school. It's good to read them again, and know that they're still just as good now. Bunnacula is a children's book series written by Deborah and James Howe, featuring a vampire rabbit named Bunnacula who sucks the juice out of vegetables. Two characters who seem very comfortable with each other to the point that it seems like they have been married for a long time, though obviously it doesn't apply to couples who actually have been together for a long time.
