

Download Hp Storeonce Backup System Cli Reference Guide

Page 1. Installation and Configuration Guide Abstract This document describes how to install and configure HP StoreOnce 4900 Backup systems. These systems are also sometimes referred to as single-node StoreOnce products and they run StoreOnce software version 3.10.0 or later. Page 1. Installation and Configuration Guide Abstract This document describes how to install and configure HP StoreOnce 4700, 4500, 2900 and 2700 Backup systems. Some day ago, I installed a new Exchange 2013 CU11 for some test ins my lab. Nothing fancy, just a single server deployment on a Windows Server 2012 R2 VM.
