Not so long ago... in a skatepark not so far away... Penny Skateboards and Star Wars combined forces to bring the galaxy a collaboration like none before it. Penny is one of Pongo and Perdita's original fifteen puppies in the 101 Dalmatians franchise. Penny is the lightest of all the puppies, and has relatively few spots. The spots she does have, including those on her ears, are very small and round. She is also one of the few girls of the litter...The Penny Men is the Largest Manufacturer and Supplier of Penny Press Souvenir Machines in the World. Our experience of building Penny Press Machines began almost 100 years ago as a family business. Firefighter Penny Morris is a member of the Pontypandy Fire Brigade. She originally hailed from Newtown. She is the main driver of Venus, the rescue tender and Neptune, the rescue boat. She attended the Newtown Fire Academy.
