

# Download International Financial Management 5th Edition

While shopping it comes up as the international paperback option in lieu of the recent 8th edition of International Financial Management. One can easily miss seeing the the tiny print on the cover indicating the book to be 4th edition. Newer 5th, 6th updated editions are available at better prices. International Financial Management is written based on two distinct parts: emphasis on the basics and emphasis on a managerial perspective. The emphasis on the basics will allow students to be left with a framework for analysis that will serve them well when they need to apply this material in their careers in the years ahead.
