

Download Life Medical Student Students 2013 05 31

Students have their say on the pressing issues of life on campus, from fees to face time, from deadlines to distractions. Here's a guide on how to write for Blogging Students. At an assembly during my first week of medical school, one of the institution's venerable deans took to the podium to announce that our class marked a turning point in the school's history: nearly half of us were female. About student blogs This blog was created to provide an insight into what life at Imperial is really like. It's written by the people who know it best: our students. 16 May 2013 Publishing Your First Journal Article: an Academic Publisher's view – 2 You've got an idea for a paper, but aren't sure about how to get your scholarship to the right audience.
