About Us: RK History. Back in 1963, Ron Kinning started RK Mechanical in Pender, Nebraska. He successfully grew the small, family-owned business and relocated it to Norfolk, Nebraska in 1969. Celebrating 50 Years of Unrivaled Service Continuing to Raise the Bar on our level of service. At Haynes Mechanical Systems, we have spent 50 years building a company that we can be proud of - a company that focuses on working together with our customers to provide solutions to their heating, ventilation and air conditioning (HVAC) needs. DXP, Inc. is one of the 2008 Inc. 5000's fastest-growing private companies in America. MISSION: The primary goal and mission of American Mechanical Services (AMS) is to provide quality workmanship for a fair price. Our intent is to honor all of our commitments and to strive for 100% customer satisfaction.
