

# Download More Moral Stories For Children

A moral (from Latin *morālis*) is a message that is conveyed or a lesson to be learned from a story or event. The moral may be left to the hearer, reader, or viewer to determine for themselves, or may be explicitly encapsulated in a maxim. In this page, there are thousands of nursery rhymes. Here the same nursery rhymes are retold in the form of stories. These stories have been created with the children at heart. What would you say if you found out that our public schools were teaching children that it is not true that it's wrong to kill people for fun or cheat on tests?
