Today's Breathing Basics review is all about Oxygen Saturation and Oximeters. If you have lung disease of any kind, no doubt you've come across the words "Oxygen saturation" or "O₂ Sats" , "Pulse-Oximeter"?The SAT is typically taken by high school juniors and seniors. The College Board states that the SAT measures literacy, numeracy and writing skills that are needed for academic success in college.The biggest thing you can do to improve your SAT Critical Reading score is to focus on the main idea of the passage. If you can really get this concept and apply it when you're taking the SAT, your score on the Critical Reading section will increase dramatically.This book will not help you understand how to solve math problems in an efficient manner required when taking a timed test. The practice problems have long, creative ways of solving problems rather than straightforward ways to get to the result.
