

# Download Oh, The Humanity And Other Good Intentions

The Ignis refer to their humans as their Origins, as they are based on the six kids of the Hanoi Project. Some of the Ignis have turned to support humanity, and have joined their Origins, while others decided to fight against humanity, believing it to be the best solution for the world. Oh Soo (Lee Jong-Hyun) is a man in his 20's and works as a promising engineer in the IT field, a cafe owner and a barista. He is smart and handsome. He plays cupid for you men and women by using a mysterious pollen. Due to the pollen, he falls in love with Seo Yoo-Ri (Kim So-Eun). She is also in her Lester, known as Lucciano in the Japanese version, is a character in Yu-Gi-Oh! 5D's. He is one of Aporia's three embodiments of despair, one of the Three Pure Nobles and one of the main antagonists of the second season alongside Primo and Jakob.
