ACCP information; membership application; scientific and educational meetings-- Practice and ...At PGx Medical, our goal is to educate healthcare professionals across the country on our Metabolic Validation (pharmacogenomics) test. Metabolic Validation is a way to "personalize" medicine. Personalized medicine isn't a fad, it has been around for over a decade. But it is now coming to the forefront of the healthcare industry. At the NorthShore Orthopaedic Institute, our patients' individual goals guide our care. From recent breakthroughs in nonsurgical treatments to procedures for the most complex cases, our experts provide the best experience and outcomes for each patient.
