

Download Physical Therapy Course Manual

Our physical therapy CEU library contains hundreds of courses on popular topics ranging from Acute Care to Women's Health. In addition, by offering one new, live PT CEU course each week, we are able to continuously share new research and evidence-based practice information. WPTA course approval #: 17225 Minnesota Board of Physical Therapy course approval #: 1701 Goal of the course: To assess the major contributing factors to your patient's back pain and to learn the corresponding manual treatment to address each. EIM's Manual Physical Therapy Certification is designed so that you will: Become a certified, highly skilled, autonomous practitioner with advanced clinical competency in manual physical therapy. Make evidence-based practice an immediate reality in your clinical practice. TherapyEd Physical Therapy Course Manual Version 6.0 on Amazon.com. *FREE* shipping on qualifying offers. Very good condition. Very small amount of highlighting/notes. This book supplements the in-person review class TherapyEd offers. This is a great additional resource to go along with the larger review text published by TherapyEd.
