Men ride through streets wrecked by fighting in Taiz, Yemen in this Feb. 4, 2018, photo. The city gives the clearest example of the intertwining of al-Qaida with militias funded by the U.S.-backed coalition to fight the Houthi rebels. China says it has “irrefutable” sovereignty over disputed islands in the South China Sea after the White House vowed to defend “international territories” in the strategic waterway. White ...
