

Download Secondary Education In The 21st Century

Secondary schools in the Trust aim to imbue students with the skills necessary to excel in whatever they choose to do. Pupils aged 11 to 16 receive Key Stage 3 and Key Stage 4 secondary education, with compulsory Maths, Science and English taught alongside a range of other subjects to engage, interest and challenge the children. secondary education in the 21st century; secondary education in the 21st century; contents; preface; index. Series Title: Education in a competitive and globalizing world series. UNESCO believes that education is a human right for all throughout life and that access must be matched by quality. The Organization is the only United Nations agency with a mandate to cover all aspects of education. It has been entrusted to lead the Global Education 2030 Agenda through Sustainable Development Goal 4. Education for the 21st Century was established in 2011 as a multi-Academy Trust. All of the Trustees have clear and long lasting commitment to the education of young people and they are skilled in operating effectively to the benefit of the Trust's school, their students, their staff, their parents and the wider local education community within the London Borough of Bromley and Kent.
