

# Download Serapis, In English Translation

A serapeum is a temple or other religious institution dedicated to the syncretic Greco-Egyptian deity Serapis, who combined aspects of Osiris and Apis in a humanized form that was accepted by the Ptolemaic Greeks of Alexandria. Egyptology (from Egypt and Greek-?????, -logia. Arabic: ??? ????????) is the study of ancient Egyptian history, language, literature, religion, architecture and art from the 5th millennium BC until the end of its native religious practices in the 4th century AD. The fourth-century Roman Emperor Constantine believed that Jesus was the reincarnation of Apollo, the son of the Greek god Zeus. Most scholars have assumed that Constantine was mistaken. THE APOLOGY. 1 [Translated by the Rev. S. Thelwall, Late Scholar of Christ's College, Cantab.]-----Chapter I. [1] Rulers of the Roman Empire, if, seated for the administration of justice on your lofty tribunal, under the gaze of every eye, and occupying there all but the highest position in the state, you may not openly inquire into and sift ...
