

# Download Serials Management In Libraries

The Serials Unit manages the journals, newspapers, magazines and other periodicals that support Central's curricular needs and compliment the general monograph and reference collections. Most functions of serials collection management are housed in this unit from acquisition to shelving to withdrawal, excluding cataloging. Currently, the ...ProQuest powers research in academic, corporate, government, public and school libraries around the world with unique content, including rich academic databases, and technologies that connect people with information, simply and precisely.
