

# Download Sick Bastards A Novel Of Extreme Horror Sex And Gore

Sick Bastards has the reputation of being an extreme horror novel, so I knew when I first cracked the covers that there would be sex, violence, bloodshed and, well, extreme horror. **WARNING: THIS IS AN EXTREME HORROR NOVEL.** There is gore. There is bad language. There are scenes of a sexual nature. There are scenes of domestic abuse. **\*\*\*please note that our main catalogue is currently being updated and upgraded- some sections may be in transition over the next few weeks.** **BREAKING POINT (1975) - After THRILLER: A CRUEL PICTURE (1974; a.k.a. THEY CALL HER ONE EYE),** director Bo Arne Vibenius made this, a psychosexual thriller about a woman-hating office worker named Bob Bellings (Anton Rothschild) who becomes a rapist/murderer.
