

Download Silence For The Dead Simone St James

Silence for the Dead by Simone St. James is a 2014 NAL publication. Haunting in more ways than one- An old mansion converted into a medical facility for 'shell-shocked' soldiers is the perfect, atmospheric backdrop for a spooky ghost story. "St. James' latest book immediately draws the reader into its creepy grasp, enthralling as it unsettles, with ghostly occurrences, terror, and puzzlement... aficionados of the classic gothic style in the tradition of Victoria Holt won't want to miss this atmospheric tale of romantic suspense. From the opening pages, I was drawn into the atmosphere of Portis House, the mental institution where Silence for the Dead is set. Ms. St. James's skill as a master of fiction is on full display in this book. She weaves a mystery that will keep the reader guessing until the end while maintaining the intense mood you'd expect in a hospital for madmen where things aren't all that they seem. Your heart will be pounding right along with the terrified, unforgettable characters. In 1919, Kitty Weekes, pretty, resourceful, and on the run, falsifies her background to obtain a nursing position at Portis House, a remote hospital for soldiers left shell-shocked by the horrors of the Great War.
