Stages of Faith. He is best known for his book *Stages of Faith*, published in 1981, in which he sought to develop the idea of a developmental process in "human faith". Lawrence Kohlberg's stages of moral development constitute an adaptation of a psychological theory originally conceived by the Swiss psychologist Jean Piaget. Discussion. I can't think of anyone, other than Jean Piaget, who has promoted the stage approach to development more than Erik Erikson. And yet stages are not at all a popular concept among personality theorists. Maslow's hierarchy of needs is a motivational theory in psychology comprising a five-tier model of human needs, often depicted as hierarchical levels within a pyramid.
