

Download Super Stories Of Heroes Villains

At a conference early last year (2015), a speaker recommended Wanda Robinson's *Unsung Heroes (and a Few Villains): A Women's Study of Lesser-Known Men in the Old Testament* (Gospel Advocate, 2015). We bought this for our son's 3rd birthday because he loves any and all super heroes. I thought this would be perfect for him. He already could identify the alphabet and numbers 1-10, but repetition is needed to sink concepts into little toddler brains.
