Find helpful customer reviews and review ratings for DELTA 36-136 Universal Miter Saw Stand at Amazon.com. Read honest and unbiased product reviews from our users. Sliding Miter saw is a specialized type of saw that allows you to make accurate crosscuts. Considering how crosscuts are important, a miter saw is an inevitable tool in any wood workshop. This informational booklet is intended to provide a generic, nonexhaustive overview of a particular standards-related topic. This publication does not itself alter or determine compliance responsibilities, which are set forth in OSHA standards themselves, and the Occupational Safety and Health Act
