The UC Berkeley Library helps current and future users find, evaluate, use and create knowledge to better the world. Founded in 1868, the University of California, Berkeley (UCB) is a public research university and the flagship institution of the ten research universities affiliated with the University of California system. In 1905, the California legislature passed the University Farm Bill, which called for the establishment of a farm school for the University of California (at the time, Berkeley was the sole campus of the university). The commission took a year to select a site for the campus, a tiny town then known as Davisville. UC Davis opened its doors as ...Downloadable resources.
