Clinical skills are a fundamental aspect of nursing care of children and young people. The Great Ormond Street Hospital Manual of Children's Nursing Practices is an evidenced-based manual of practical skills in children's nursing, which builds on the extensive expertise developed at Great Ormond Street Hospital. This book is a textbook outlining all of the key skills a paediatric nurse would need in their day-to-day practice as well as the rarer cases they may come across. It outlines all procedure guidelines for pre- and post-operative care as well as full guidelines for procedures a nurse may carry out.
