

Download The Law Of Investment Treaties

The tax aspects of bilateral investment treaties, which, in most cases, provide the investor with the unique opportunity to directly initiate an international dispute settlement process – also known as investor-state dispute settlement – are often overlooked. We recently reported that Indonesia intends to terminate more than 60 bilateral investment treaties. Located in Geneva, Switzerland, TILPA is a firm dedicated to international trade law, international investment law and international commercial law. Background on international investment law. Close to 3000 bilateral investment treaties (BITs) have been concluded since 1959; Most BITs provide investors with the right to sue their host country for a BIT violation before international arbitration
